Sub: Invitation to participate in the 'DCCI Trade Fair 2008' to be held during October 30 - November 1, 2008 at Bangladesh-China Friendship Conference Center (BCFCC).

Dear Sir,

I take this opportunity to inform you that DCCI is celebrating its Golden Jubilee this year. The yearlong program started in March 2008 with the unveiling of a new DCCI mnemonic with an impressive curtain raiser. A grand rally, a colorful Kite flying contest, dinner meetings and seminars were also held.

As part of the Golden Jubilee Celebration, DCCI is also arranging an **International Business Conference (IBC)** from October 30 to November 1 this year at the Bangladesh-China Friendship Conference Center (BCFCC) in Dhaka. We have invited world-renowned leaders and economists as well as CEOs of multi-national companies (MNCs) to participate in the Conference. The Conference will have four roundtables apart from the opening session.

Chief Adviser Dr. Fakhruddin Ahmed has kindly consented to inaugurate the Conference. The three-day event will also include cancellation of commemorative stamps, seminars and distribution of DCCI Business Award 2008.

To make the occasion more colorful, we are organizing a trade fair named '**DCCI Trade Fair 2008**' during the same period and at the same venue. On the sideline of the IBC, the Trade Fair will be an added attraction to showcase Bangladeshi exportable products. We believe this exclusive fair will also help Bangladesh business to expand globally.

Hon'ble Commerce Adviser Dr. Hossain Zillur Rahman is expected to inaugurate the fair while foreign diplomats and business representatives from different countries will remain present. The DCCI Board of Directors strongly feels that your participation in the fair will encourage us in our endeavor and also help promote your business.

The details of the rates of stall booking and sponsorship are mentioned in the fair brochure. Kindly be informed that 'Xtreme Entertainment' and 'Round the Clock', working together as '**Extreme Fair**', 2 Pirzongi Mazar Masjid Complex (1st floor), Motijheel, Dhaka 1000 is working as our official event manager for the fair. For further details you are requested to contact Mr. Nessar Maksud Khan, Director, DCCI and In Charge, DCCI Trade Fair 2008, Cell: 01711 534650 and Mr. Mahbub -E- Rabbani, Assistant Secretary, PR, DCCI, Cell : 01727 450725.

I would solicit your earnest cooperation in making this venture a success.

Best Regards,

Hossain Khaled
President
